

Skip – a – Payment Request

I understand I will need to complete a skip a payment request for each SFCU loan* that I have and that I may only request a skip for one of the months below. I further understand that finance charges will continue to accrue. I also understand that my request must be approved by the SFCU loan department.

To qualify for a skip a payment request, I understand I must be a member in good standing with the credit union at the time of the request. Member in good standing is defined as not showing past due on any SFCU loan or showing negative on any share (savings) or share draft (checking) account at the time of the request. I also understand that I must have made at least three (3) consecutive loan payments and have not received any other forbearance in the past 6 months. I also understand I can only request to skip one month during the skip – a – payment promotion. I also understand that I must complete a skip-a-payment request for each loan.
